

STREAMLINESOLUTIONS

We focus on your documents,
so you can focus on your business.

- › DATA CAPTURE
- › DOCUMENT IMAGING
- › CONTENT & STORAGE MANAGEMENT
- › BACKFILE CONVERSION

Transforming your paper documents into electronic files provides you with a full range of benefits to your business, and our monthly lease packages start at just \$225 per month. *One-year lease with 0% interest.

We offer complete, cost-effective packages to fit your business needs, ensuring the following benefits:

- › Documents that are backed-up and securely stored offsite, for quick disaster recovery, and easy and secure access.
- › Elimination of costs and time associated with maintaining paper files.
- › Peace-of-mind security, and control of who accesses your documents.
- › Immediate and unlimited access to your documents from anywhere you have Internet access.
- › Your choice of monthly lease packages that include: Canon scanner, scan/index software, and a web hosted solution with unlimited user access and 1 GB storage (approx. 20,000 pages).
